

## FastPlug Frontadapter for S7 I/O modules 20- and 40-way

The **FastPlug** Frontadapter from the Systeme Helmholz GmbH are intended for insertion or clipping on a 16 or 32 Bit S7 Input/Output module.  
The wiring is very low. Through the use of prefabricated system cables, connection errors are excluded.

**FastPlug** 20-way      700-921-1AJ01  
**FastPlug** 40-way      700-921-1AM01

### Technical Data 700-921-1AM01 & 700-921-1AJ01

Weight	approx. 50 g
Voltage	max. 48 V AC/DC between any terminals, higher voltages on request
Current consumption	max. 600 mA per terminal, higher currents on request
Dimensions (LxWxH mm)	700-921-1AJ01: 131 x 23 x 31 700-921-1AM01: 116 x 22 x 30
Surrounding air temperature	0° C ... +60° C
Relative humidity	75 % at +25° C

### Connector pin assignment

	700-921-1AM01	700-921-1AJ01
1	X1	X1.1
2	X1.2	X1.2
..	..	..
19	X1.19	X1.19
20	X1.20	X1.20
21	X2.1	
22	X2.2	
..	..	..
39	X2.19	
40	X2.20	

Changes and errors excepted. 8/2009
